7-Eleven Strikes Nearly \$1B Deal With Sunoco for 204 Stores

ANGELA HANSON, JANUARY 11, 2024 (CONVENIENCE STORE NEWS)

7-Eleven Inc. will become the sole owner and operator of Stripes convenience stores and Laredo Taco Co. restaurants in the United States after acquiring 204 locations from Sunoco LP for \$950 million.

The stores are located across west Texas, New Mexico and Oklahoma, and will join the **more than 13,000 7-Eleven**, Speedway and Stripes locations that 7-Eleven operates, franchises and/or licenses across the **United States** and **Canada**.

7-Eleven International LLC Inks **\$1.1B** Acquisition Deal

"Stripes and Laredo Taco Co. have been a great addition to our family of brands since they initially joined us back in **2018**," said 7-Eleven Inc. CEO Joe DePinto. "We're excited to welcome the remaining Stripes stores and Laredo Taco Co. restaurants to the family, and we look forward to serving even **more customers across west Texas, New Mexico and Oklahoma.**"

The acquisition is part of a food-centric initiative to increase revenue and accelerate growth.

7-Eleven **grew** its U.S. store footprint by **12%** when it acquired **approximately 1,030** Sunoco c-stores for **more than \$3 billion** in **early 2018**. Under the terms of the deal, Sunoco entered into a **15-year** take-or-pay fuel supply agreement with a 7-Eleven subsidiary, under which Sunoco agreed to supply **approximately 2.2 billion** gallons of fuel annually.

At the time, DePinto said the acquisition supported the company's **growth strategy** in key geographic areas, and that it could learn a **great** deal about how to cater to the **Mexican-American** customer base in south Texas.

7-Eleven to open over 600 stores under new design by 2027

BRETT DWORSKI, OCTOBER 24, 2024 (C-STORE DIVE)

7-Eleven is planning to open over 600 large-format, food-focused convenience stores in North America by the end of 2027, according to an investor presentation posted Thursday by parent company Seven & i Holdings.

7-Eleven is leaning into **foodservice** as a means to **help improve** its financial standing in North America — especially in the **U.S.** — where it has taken a significant financial blow this year amid **economic headwinds**.

The retailer's newest format features "a larger product assortment and expanded food and beverage offerings," CEO Joseph DePinto told investors on Thursday.

7-Eleven's New Standard format is the **first prototype** the convenience retailer has launched since it rolled out its Evolution store concept in **March 2019**. Those locations featured 7-Eleven's Mexican QSR, Laredo Taco Company, as well as made-to-order specialty beverages, **self-serve specialty coffee**, a cold treats bar, mobile checkout and delivery capabilities. DePinto said on Thursday that 7-Eleven has "leveraged key learnings" from its Evolution stores over the past few years, which have resulted in the New Standard design. He added that beyond the **increased food** and beverage offerings, the New Standard c-stores feature **"many of the same elements of the Evolution stores,"** as well as in-store seating and electric vehicle charging stations.

TEXAS DISCLAIMER

7-ELEVEN AUSTIN, TX

Approved by the Texas Real Estate Commission for Voluntary Use

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

Information about brokerage services

Before working with a real estate broker, you should know that the duties of a broker depend on whom the broker represents. If you are a prospective seller or landlord (owner) or a prospective buyer or tenant (buyer), you should know that the broker who lists the property for sale or lease is the owner's agent. A broker who acts as a subagent represents the owner in cooperation with the listing broker. A broker who acts as a buyer's agent represents the buyer. A broker may act as an intermediary between the parties if the parties' consent in writing. A broker can assist you in locating a property, preparing a contract or lease, or obtaining financing without representing you. A broker is obligated by law to treat you honestly.

If the broker represents the owner

The broker becomes the owner's agent by entering into an agreement with the owner, usually through a written – listing agreement, or by agreeing to act as a subagent by accepting an offer of subagency from the listing broker. A subagent may work in a different real estate office. A listing broker or subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first. The buyer should not tell the owner's agent anything the buyer would not want the owner to know because an owner's agent must disclose to the owner any material information the owner knows.

If the broker represents the buyer

The broker becomes the buyer's agent by entering into an agreement to represent the buyer, usually through a written buyer representation agreement. A buyer's agent can assist the owner but does not represent the owner and must place the interests of the buyer first. The owner should not tell a buyer's agent anything the owner would not want the buyer to know because a buyer's agent must disclose to the buyer any material information known to the agent.

If the broker acts as an intermediary

A broker may act as an intermediary between the parties if the broker complies with The Texas Real Estate License Act. The broker must obtain the written consent of each party to the transaction to act as an intermediary. The written consent must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. The broker is required to treat each party honestly and fairly and to comply with The Texas Real Estate License Act. A broker who acts as an intermediary in a transaction:

- Shall treat all parties honestly
- May not disclose that the owner will accept a price less than the asking price
- Submitted in a written offer unless authorized in writing to do so by the owner;
- May not disclose that the buyer will pay a price greater than the price submitted in a written offer unless authorized in writing to do so by the buyer; and
- May not disclose any confidential information or any information that a part specifically instructs the broker in writing not to disclose unless authorized in writing to disclose the information or required to do so by The Texas Real Estate License Act or a court order or if the information materially relates to the condition of the property.

With the parties' consent, a broker acting as an intermediary between the parties may appoint a person who is licensed under The Texas Real Estate License Act and associated with the broker to communicate with and carry out instructions of one party and another person who is licensed under that Act and associated with the broker to communicate with and carry out instructions.
