Scooter's Coffee Named #2 Top Coffee Franchise of 2024 by Entrepreneur Magazine

DECEMBER 19, 2024 (PR NEWSWIRE)

"We are honored to be ranked as one of the top coffee franchises by Entrepreneur magazine," said Joe Thornton, CEO of Scooter's Coffee.

"This achievement reflects our rapid growth, our strong franchise model, and our dedication to **delivering exceptional** customer service. This recognition would not have been possible without our **incredible franchisees**. For more than **25 years**, we have focused on creating **next-level experiences** for our customers and franchisees alike."

Scooter's Coffee was recognized as the No. 2 Top Coffee Franchise of 2024 by Entrepreneur Magazine, being only one of two coffee brands to break the Top 100 in the overall Franchise 500 ranking.

"Since its **founding in 1998**, Scooter's Coffee has grown to include **over 840 locations** across the United States. The company's compact drive-thru kiosk model, focus on efficiency, and **dedication to quality** have made it a standout in the competitive specialty coffee market.

As Scooter's Coffee continues its **rapid expansion**, the company is seeking driven individuals to join its franchise family. With opportunities to open franchises in markets across the country, now is the perfect time to partner with this award-winning brand.

"This recognition highlights the **vitality of our company** and the dedication of our franchisees and team members," Thornton added. "We're excited to build on this momentum and bring the Scooter's Coffee experience to more communities nationwide."

Scooter's Coffee Ranks Top 10 in Yelp's 2025 50 Fastest Growing Brands Report

MARCH 21, 2025 (YAHOO FINANCE)

Scooter's Coffee, one of the nation's fastest growing drive-thru coffee franchise companies, has hit the grounds running in 2025, ranking 10th on Yelp's 2025 Top 50 Fastest Growing Brands report.

"We're thrilled to be named one of the **top 10 fastest growing brands** for a second year in a row," said Joe Thornton, CEO of Scooter's Coffee. "This recognition is a huge win for our **entire franchise system** and would not be possible without the commitment of our franchise owners.

Over the last year, Scooter's Coffee opened 120 locations, including the company's 800th store in Louisville, KY, ranking 10th on Yelp's 2025 Top 50 Fastest Growing Brands report for the second consecutive year.

Through dedication to their teams, customer service and the communities they serve, Scooter's Coffee truly has the **opportunity** to create an amazing experience for each life we touch. We're excited to continue building on this momentum and share our passion for coffee with new and returning customers nationwide.

"Driven by the brand's core values of Integrity, LOVE, Humility, and Courage, the brand continues to brew success, striving to become the #1 drive-thru specialty coffee franchise system in the nation. With over **850 stores** across 31 states, Scooter's Coffee is **rapidly climbing** the ranks, showcasing both its strength and the viability of the specialty coffee industry.

Since 2004, Yelp has become one of the leading sources of user-generated reviews and ratings for businesses. The online directory has been a key tool for consumers seeking local dining spots, including the best coffee shops. The **2025 rankings** were based on Yelp's key metrics, such as net new business openings, consumer interest, and searches in the restaurant, food, and retail categories.

HUB

Coffeyville, Kansas stands as a remarkable manufacturing hub with global reach, earning recognition as the 3rd largest exporter of goods originating in Kansas—exceeding even Wichita, the state's largest city.

This industrious community of 8,400 residents strategically positioned at the intersection of five major highways (US-75, US 160, US-400, US 166, and US 169) serves as a vital economic gateway connecting Kansas City, Tulsa, Wichita, Joplin, and Springfield markets.

The city's world-class manufacturers include ACME Foundry (400+ employees), John Deere Coffeyville Works (400 employees), and CVR Refining (700+ employees), collectively generating over \$1 billion in annual economic activity.

investments including a \$63 million electric generation plant, comprehensive street improvements, and a fiber internet network enabling businesses to compete globally at lightning speed. The community benefits from Coffeyville Community College's technical programs, which are custom-tailored to industry needs, while the Montgomery County Action Council provides business concierge services from startup through centennial anniversaries. With established incentive programs including Industrial Revenue Bonds, Kansas EDX tax rebates, and competitive electric utility rates backed by a power purchase agreement through 2042, Coffeyville offers an unmatched combination of manufacturing expertise, strategic location, and business-friendly environment that drives sustained economic growth and investment opportunities.

3,000 Contractors Arrive in Coffeyville for CVR Energy Maintenance Project

MACH 26, 2025 (ACTION COUNCIL)

Residents and business owners in Coffeyville may have noticed a significant increase in the local population as contractors arrive to work on the CVR Energy refinery.

The company has brought in **3,000 technicians** who will work on the refinery for about seven weeks. Some residents may have seen ads placed across town by CVR Energy announcing the maintenance project and expected workforce.

“CVR Energy already has a **significant presence** in the region, but the maintenance project highlights the secondary ways **large refineries** like this one affect local economies,” says Melissa Johnson, Executive Director of Montgomery County Action Council. “Many local business owners will benefit from the **contract workers spending** seven weeks here.”

CVR Energy brought in 3,000 technicians for a seven-week maintenance project, providing significant economic impact to local businesses and highlighting the secondary benefits of large industrial operations in the region.

The Large Contractor Base Speeds Up Project Timelines

CVR Energy is trying to minimize any potential disruptions that could occur because of this maintenance project. By bringing in **3,000 workers, the** company can work quickly to complete any **essential maintenance** and repair tasks. This will allow the refinery to stay operational with minimal downtime.

As a producer of clean **transportation products** such as gasoline, diesel fuels, and other refined products, the CVR refinery works around the clock to meet the high demand of their clients. CVR Energy doesn’t have the luxury of working on the maintenance project for several months with a smaller workforce.

Kansas Commerce Announces First Regional Water Project for Rural Kansas

JULY 30, 2024 (KANSAS COMMERCE)

The Kansas Department of Commerce announced today a Community Development Block Grant (CDBG) award for the first regional water project in over a decade. This project will provide improved water access to residents in Coffeyville and Caney.

The total cost of the project is **\$7,894,325**, with a **\$1 million grant** from the CDBG program. Additional funding is being provided by the Kansas Department of Health and Environment (KDHE).

The Kansas Department of Commerce announced a \$7.8 million regional water project for Coffeyville and Caney, representing a significant investment in infrastructure and enhancing quality of life while fostering economic development.

“This **vital and groundbreaking partnership** will significantly improve water infrastructure and ensure reliable access to clean water for residents in Caney and Coffeyville, exemplifying the tremendous value of regional collaboration,” Lieutenant Governor and Secretary of Commerce David Toland said. “These efforts directly support the Kansas **Water Plan’s goals** of addressing water quantity and quality issues, investing in infrastructure and protecting our water sources for generations to come.”

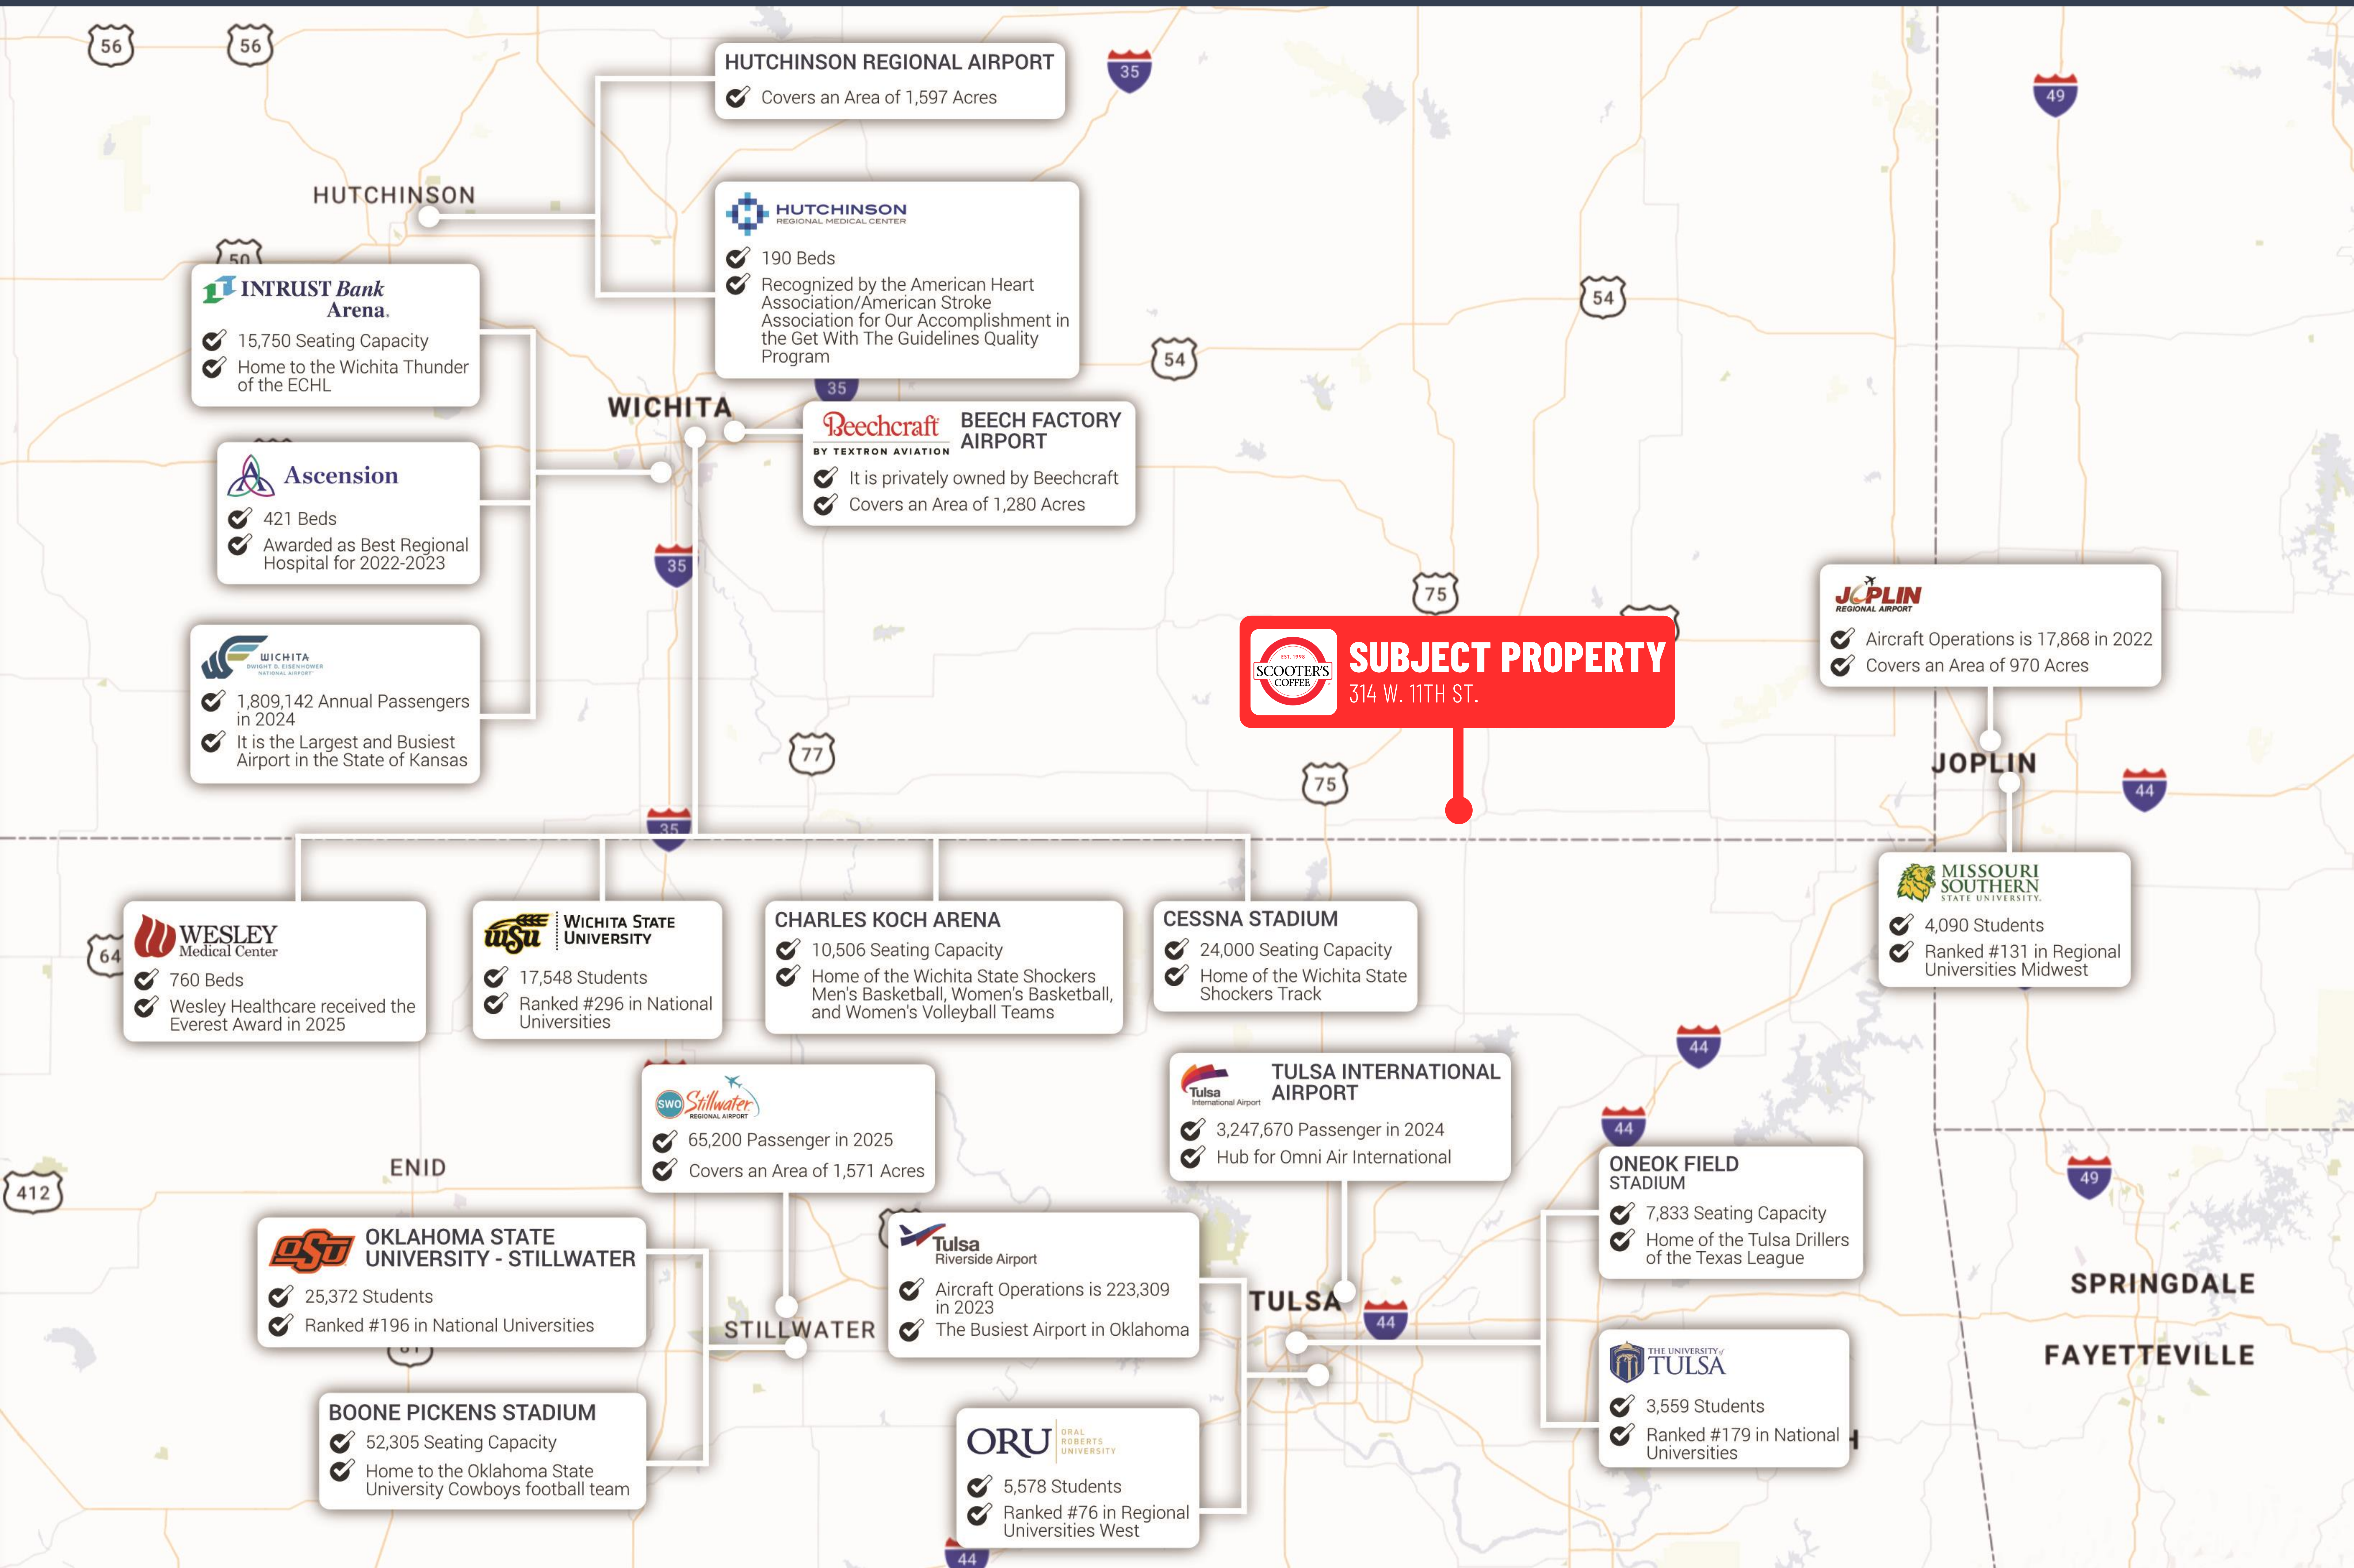

This regional water project **represents a significant investment** in the infrastructure of these communities, ensuring reliable and sustainable water resources long into the future.

“This project represents a **major milestone** for our communities, enhancing the quality of life for our residents and fostering economic development,” Assistant Secretary of Quality Places Matt Godinez said. “Kansas communities deserve access to clean water, and this regional solution and approach is going to provide residents with the **long-lasting benefits.**”
